Full of character and warmth, this 1,674 sq. ft. 3 bedroom 2 story brick home is ideally located in Allentown's deep West End—walking distance to the Farmers Market and Theatre District, and close to schools, parks, and shopping. Hardwood floors throughout. A tile entry foyer opens to a spacious living room with fireplace and built-in bookcases. The formal dining room has chair rail and access to a charming covered side porch—perfect for relaxing or entertaining. The updated kitchen features a Jenn-Air cooktop, Bosch dishwasher, wall oven, microwave, refrigerator, Insinkerator disposal, pantry, and recessed lighting. A convenient half bath completes the first floor. Upstairs you'll find the primary bedroom, two additional bedrooms (BR with a built-in bookcase and BR with access to a roof top deck), and a stunning renovated full bath with tile floor, oversized shower, and quartz vanity top. The finished lower level offers a family room with approximately 338 Sq Ft. of additional living space with a bar and large closet plus a storage room. A two-car garage connects to the porch for easy access. Replacement windows with capped exterior trim. A wonderful home combining charm, updates, and an unbeatable location!
